

Youth Work Experience – Spring Semester 2018
School Programs – Les Mammifères Marins Educator
Deadline to apply is February 19th, 2018

Role summary:

- This placement provides students with an excellent opportunity to build marine life knowledge, gain teaching experience, develop communication skills, a sense of teamwork, and more. Students will participate in daily teaching routines and behind-the-scenes operations, teach children about marine life and the major conservation issues in marine ecosystems, and participate in the safe handling of marine invertebrates. As a work experience student, you will be working within a team of staff and volunteers to teach young students (ages 4 – 9) in **French** about marine life, using:
 - Live animal displays
 - Touch pools
 - Artifacts

Desired skills and experience:

- Outgoing, enthusiastic, and self-motivated;
- Preference to students in grades 10 – 12;
- Interest in marine biology, teaching, working with children;
- Experience and/or genuine interest in educating or interacting with students.

Special requirements:

- Students in high school, ages 14 – 18.
- Students must be able to speak French

Commitment:

- Every Tuesday, from April 10th – June 12th, 2018.

Work environment:

- Aquarium wet labs and classrooms

Shifts available:

- Tuesdays from 9:30am – 2:00pm

Mandatory Training:

- Core Training = Sunday March 11th, 10:00am – 4:00pm
- Specific Training = Tuesday April 3rd, 9:30am – 2:30pm

To apply:

- To apply, please visit our website at <http://www.vanaqua.org/join/hands-on/work-experience/opportunities-available> and follow the instructions on the webpage.
- All interested students **must attend the group interview on Sunday February 25th, 2018**. Time will be confirmed with students by February 22nd, 2018.
